Work 28 (32-38-42-50) rows rib. Cast off in rib.

Join C to inside edge of 2nd group of 9 sts for **Left Front Band** and complete as for Right Front Band.

MAKE UP. With a slightly damp cloth and warm iron, press lightly. Using back-stitch, join raglan seams, noting that tops of sleeves form part of neckline. Join side and sleeve seams. Sew on front bands and collar, using a flat seam for collar and crossing right over left for **Girl** or left over right for **Boy**. Press seams.

Zipper

Nylon Zippers are more suitable for knitted garments because of their flexibility. Coats recommend 'Lightning' Zippers for strength and reliability and for the large range of colours and sizes. Make sure the opening is long enough for the knitting to be very slightly eased into zip, to prevent a bulging zip. The edges of the opening should be close to the teeth of the zip and not cover it as in dressmaking.

To keep the base of the opening neat, cast off one or two stitches at the division of the opening. Stitch the zip into position with small running stitches using Coats Drima and finish the edges by slip-stitching lightly to the garment.

----------	---	---	---	---	---	---

Quantities are approximate as they vary between knitters.

1 pair 5.00 (No 6) Milward or Patons Beehive Knitting Needles; Milward Tapestry Needle and plain yarn for sewing seams; 4 Maxart Buttons.

TENSION — 16½ sts to 10 cm (approx 4 ins) in width over garter st.

NOTE — To achieve the desired soft effect, this garment has been designed to be worked on larger needles at a looser tension than usually recommended.

ABBREVIATIONS — See page 5.

FIRST — Check your tension.

NOTE — The unusual texture of this yarn makes it essential to pull the yarn through firmly when working each st.

BACK AND FRONT (both alike). Cast on 49 (53-57-61-65-69) sts.

Work in garter st (1st row is wrong side) until work measures 7 (7-8-8-9-9) cm ... 2¾ (2¾-3¼-3¼-3½-3½) ins ... from beg, working last row on wrong side.

Next row — * K2, y fwd, K2 tog, rep from * to last st, K1.

Cont in garter st until work measures 30.5 (33-36-38-42-47) cm ... 12 (13-14-15-16½-18½) ins ... from beg, working last row on right side. Cast off loosely.

MAKE UP. DO NOT PRESS. Using a flat seam, join side seams from eyelet holes, leaving 10.5 (12-14-16-18-19) cm ... 4¼ (4¾-5½-6¼-7-7½) ins ... free for armholes. Lap front over back at shoulders for 2 cm ... ¾ inch ... and catch in position with buttons, sewing buttons through both thicknesses tog. Using 4 strands of yarn 300 (315-330-345-360-375) cm ... 118 (124-129¾-135¾-141½-147½) ins ... long, make a twisted cord (see below) and thread through eyelet holes at waist to tie at centre front. Tie a knot 4 cm ... 1½ ins ... from ends of cord and cut ends to form tassels.

Method requires two people. Take as many strands of yarn as required, approximately three times the length required for the finished cord. Knot each end and slip a pencil between strands. Each person holds yarn just below pencil with one hand and twists pencil clockwise with other hand, keeping yarn taut. When yarn begins to kink, catch centre over door-knob or back of chair. Bring pencils together for one person to hold, while other grasps centre of yarn, sliding hand down and releasing at short intervals, letting yarn twist. Knot ends to prevent unravelling.

Back-Stitch Seam - This is the method most commonly used for joining knitted garments. The seam should be sewn one full stitch in from the end of each row so that all seams will be even. One stitch should be worked over every row. Darn in all ends of yarn **after** sewing seams.

Flat Seam.

This method is sometimes used for knitted garments but more often for crochet garments. A flat seam may be worked from either the right or the wrong side of the work. Place the 2 pieces of fabric evenly together and sew stitch by stitch, always bringing the needle up from underneath to top through the centre of the stitch, then in same manner through corresponding stitch on second piece of fabric.

Note—Diagram shows knitted fabric, but method is the same for knitting or crochet. Always keep work elastic—there should be as much stretch in your seam as there is in the rest of your garment.

MAKE UP. DO NOT PRESS. Using back-stitch, join side and sleeve seams. Sew in sleeves. Sew front band in position. Sew on buttons.

The right way to avoid the wrong size

Correct tension is vital! Inaccurate tension results in a garment either too big or too small. Even a variation of half a stitch makes a difference and could result in your garment pilling or rubbing.
